Hi John,

Unfortunately today does not work well. Please let me know if you and your Compliance Officer have any time this upcoming week (9/10-9/14). I believe there is a 6 hour time difference between us, so please let me know what is the earliest available times that you have and we can also be flexible on our end.

I can provide a conference call number once we confirm the date and time. In the interim, I am attaching a nondiscrimination procedural safeguard checklist which will help guide our conversation. Looking forward to speaking with you both.

Hi John-

Please let me know what date and time works for you to discuss the Department's needs and I can schedule a conference call to provide you with technical assistance. I am in the office every day during this upcoming week.

Thanks!

Thank you Mary. I think that is where we should be looking for help with this matter. As far as we can tell we have no process for addressing external complaints and we want to make sure that the process that we develop is approved by EPA. Otherwise we will be spending scarce resources to develop a program that is not up to the standards that EPA requires of its State programs.

Thank you for your assistance with this.

John

Hi Mary- I spoke with Lilian and she confirmed that you should provide my contact information to HDOA's compliance officer. As I mentioned yesterday, ECRCO can provide the technical assistance. Let me know if you have any questions/concerns. Thanks!

Hi Brittany,
I received a request from HDOA's compliance officer for Title VI compliance. He'd like some guidance on developing anti-discrimination policy. Would you give me a call to discuss?
Thanks,
Mary
